About Us

FenixApps is a complete custom development agency, focused on providing custom web-based solutions to its clients. Our clients, so far, include companies such as Disney, Discovery Channel, Microsoft, Opel and Renault, all of whom have used our custom made apps and games to provide additional value to their customers and business.

We started in 2012, creating top Facebook applications that allowed better and easier branding, gathering of user information and making maximum out of Facebook for Community Managers.

What We do?

Products

We offer a variety of premade Applications and Games and full service that will help you connect with your target audience and boost your business results.

Custom Development

We provide custom development services. Our team has many years of experience developing web applications and games. We take full charge of the project: from the initial idea and concepts to design and development.

FenixApps brand value

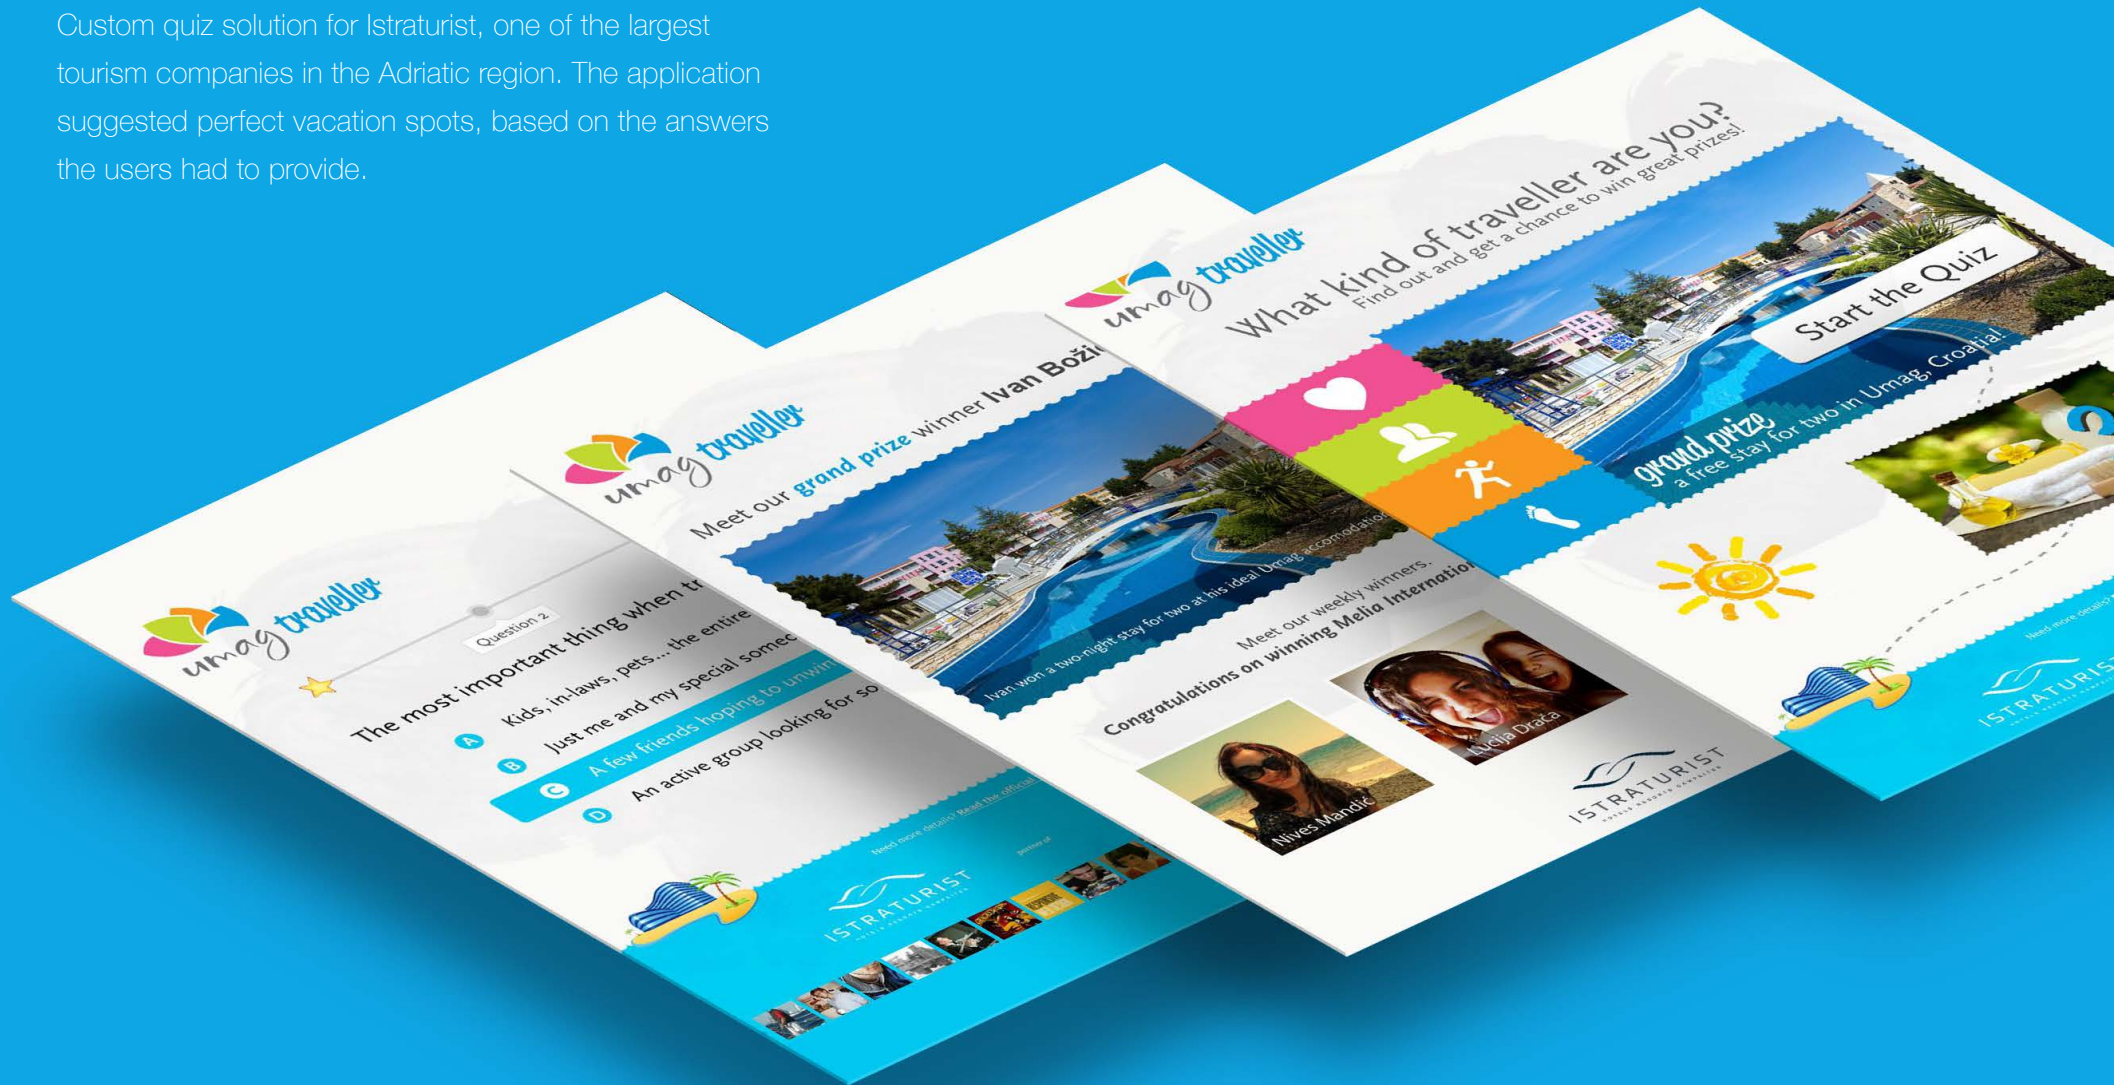

Disney - Social Memory Game

Disney

Umag Traveller - Custom App

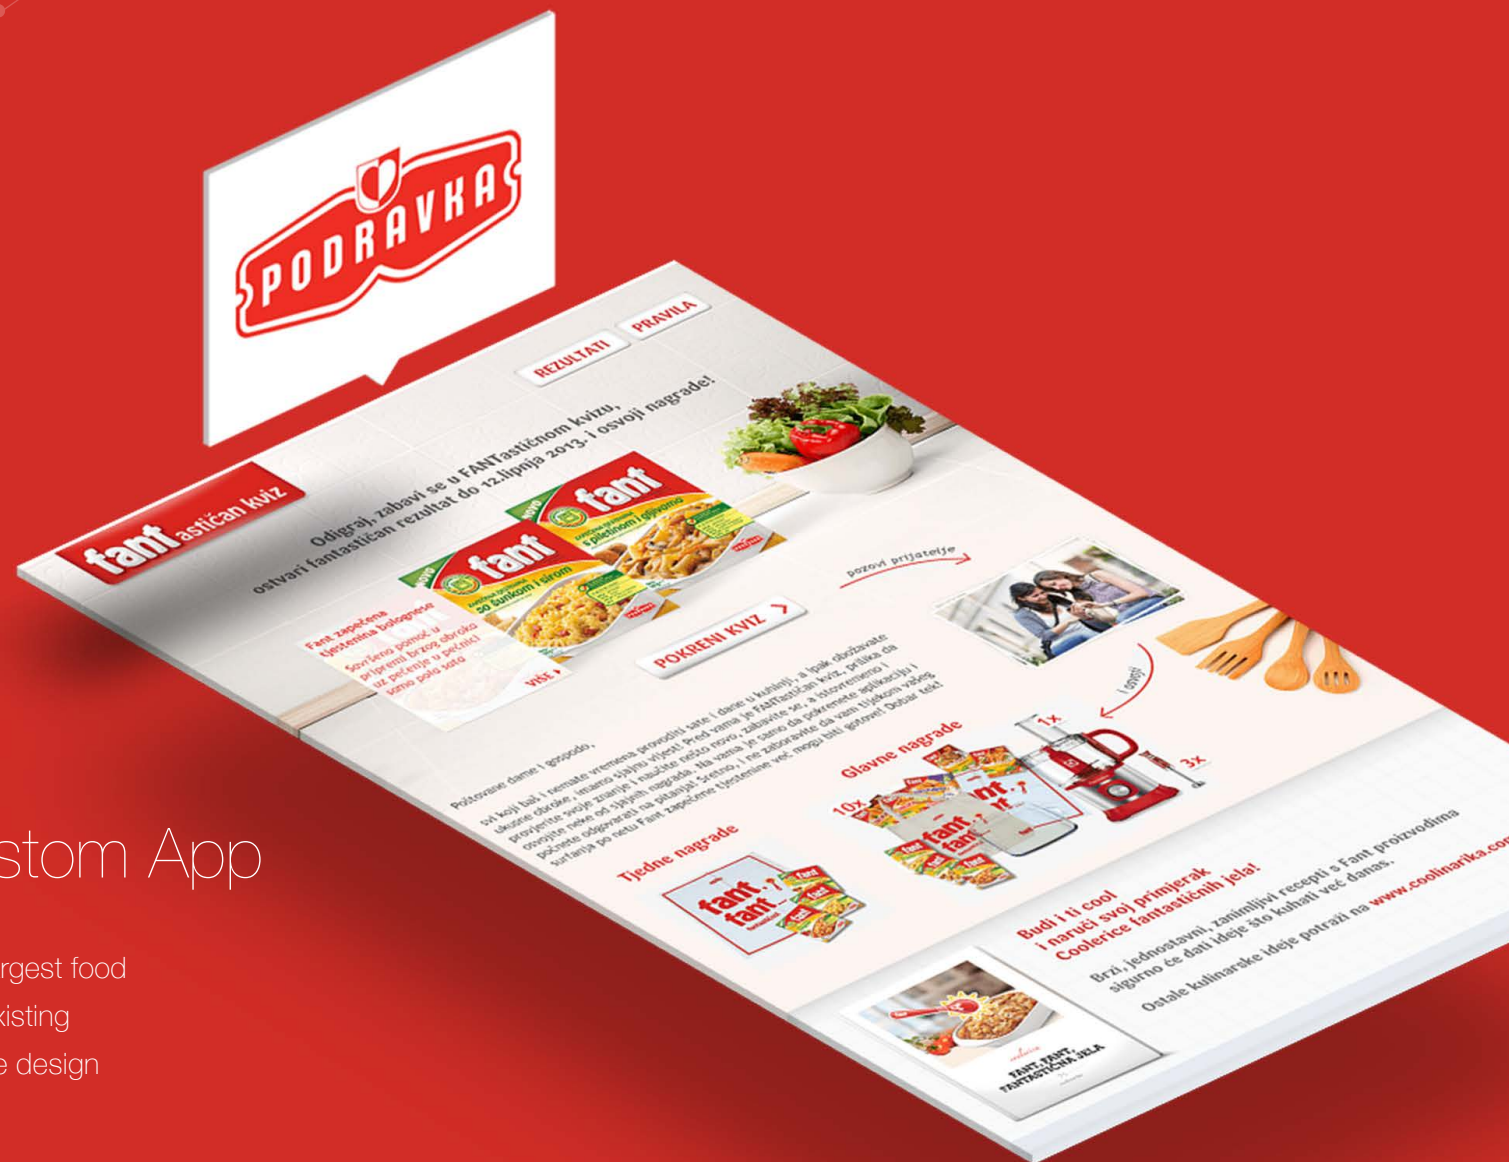

Custom quiz solution for Istraturist, one of the largest tourism companies in the Adriatic region. The application suggested perfect vacation spots, based on the answers the users had to provide.

Podravka - Custom App

White-label quiz solution for Podravka, the largest food manufacturer in Croatia. We used our pre-existing SocialQuiz application and made a complete design overhaul with 100% custom design.

Istraturist PhotoContest - Custom App

Custom Facebook application for Istraturist Umag with beautiful design and custom elegant visual elements.

Storfie - Custom App

Video Contest Facebook application with responsive design and proprietary video player.
